FOREWORD

We the Seniors of '52 have worked very hard in preparing the "52 Indian". We hope that everyone who reads our year book will enjoy it as much as we enjoyed publishing it.

We wish to thank all the teachers and students who have given us their undivided cooperation in publishing this annual. As we bid farewell to Haw River High School, we wish the Seniors of '53 the best of luck in compiling next year's annual.

CLASS POEM

We come out o' grammar school
All 'a feelin' fine,
And found ourselves a sittin'
Smack in number nine.

We took the books they gave us,
'Cause it was a must.
Befor the year was over,
We had much disgust.

The most of us made it to
A grade number ten.
If we did n't, we had to
Take ole nine again.

Sophomores, they called us, since
A year had gone by.
This monicker they hung on us-
I've often wondered why.

Juniors we now became- and
Such happy ones too-
Only one more year in which
To moan and be blue.

Many thought if they got past
That ole grade eleven
They'd have a ticket to the
Very gates of heaven.

We attained the final goal,
Cherished senior year,
But French and Physics seldom
Brought to us good cheer.

We had parties of all kinds
Given incessantly.
After passing exams, our faces
Shown incondescantly.

To those who think that their work
To about to end,
I suspect they'll find it's
About to begin.

To those who are near eighteen
I've but this to say,
You ain't going to do nothin',
If you're in IA.

Really, it's going to be
Kind 'a hard to leave.
I wouldn't care if I were
Younger, I believe.

SENIOR CLASS HISTORY

Twelve years ago we made our first trip to our Alma Mater to begin our long trip upward. Nine years later as green Freshmen we sponsored a teen-age party, and it turned out very well. There were 33 students on the roll in our first year of high school.

At the beginning of our sophomore year we had 13 girls and 13 boys on roll. During the year we lost one of our girls. We sponsored the Christmas Prom, which was the second of its kind to be held at Haw River School. We had a large crowd, and all enjoyed it.

On September 3, 1950, we put another rung on the ladder of time and became Juniors. That year we were in charge of the Junior-Senior Banquet, which was held at the Alamance Hotel on March 23, 1951. During our Junior year we also made a trip (a very enjoyable one) to Washington, D.C. We gave a play ,OUR GAL SAL , and it was a great success.

Then on September 5, 1951 we finally attained our goal- that of being DIGNIFIED SENIORS. We had four parties this year, and each seemed to be more fun than the one before. We made a quick, but exciting trip to Bugg's Island , a construction project in Virginia. As Seniors we enjoyed our many ventures, and high in our project was the Senior Day at Elon College. We had an enjoyable time touring the campus and seeing the basketball game.

Now that our high school days are fastly becoming history, we wish to thank our teachers for the help they have rendered us. To their untiring efforts to steer us successfully over all the hard-spots, and their patient understanding of our difficulties, we owe a never ending debt of gratitude.

So we come to the top of our twelve-rung ladder. We will never forget our Alma Mater and hope that she will never forget us.

Route 1
Haw River
North Carolina
May 30, 1957

Dear Nancy ,

As I was out on my patrol route one day I saw Sarah May opening a mailbox labeled Mr. and Mrs. Darrell Holmes. Since I had a few minutes I stopped to see if she had heard from any of our old classmates. She said that she and Darrell were doing very well on their farm.

I asked if she had seen anything of our classmates, she said that just during the past week Estelle, Nellie, and Wilda had visited her.

It seems that Estelle has gone into school teaching and was just last year elected "THE BEST TEACHER OF GRAHAM HIGH". Estelle told Sarah that Betty Sue is very successful as an opera singer and now is on a world wide tour.

Nellie said she was the owner of the "HAW RIVER HOT SPOT NIGHT CLUB". Her main attraction and singer is our own Nancy Fogleman. Seems you're doing fine, Nancy.

Wilda married Clarence soon after school ended. They have a large dairy farm just outside Graham. We learned from her that Jean was the newly elected president of her social circle, and that she and David had a new set of twins. Mother and daughters are doing fine.

Sarah asked me if I had seen in the papers where John Richard Sykes had won the M V P award while playing pro football with the New York Giants team. I told her I hadn't noticed, but I had noticed that Bobby Coble was doing very well with the New York Yankees Baseball Club. He won the "Rookie of the Year Award," last year.

I told Sarah I was surprised at Dale's profession, instead of quottting the laundry he bought it. I suppose he got tired of delivering laundry so he bought it.

There had been a convention of mill owners in Raleigh the preceeding week, and Sarah told me she saw James Chatman's and Garland Yount's names. James had his at Tabardrey, and Garland is the Vice President of Grabur Mills in Graham. James had his secretary, Frances Stewart, along to take notes for him. I see James still conserves his energy.

We went into the house and Sarah showed me a picture of the new owner of Stonewall Service Station. Seems Vance Smith is doing fine.

Sarah asked me about myself and I told her I was now a sergeant in the state highway patrol, and if I did not get on the job I wouldn't be any longer.

As I left I told her to keep in touch with me and I would see her again soon. I'll write again soon, and maybe I can get over to see you before long.

An ex-classmate,
Don Williams

The Senior Class of '52 has realized for sometime that our departure is drawing near. We have felt that school is beginning to disagree with us, and the members of our faculty have almost succeeded in accomplishing the demise of the fourteen best Seniors that Haw River High's walls have ever held. We have been treated with extra doses of bitter lessons and red tape, but in spite of all these things we have overcome many of the hardships of our school life. Now as we come to our last days here it is with rejoicing yet saddening hearts, that we leave our school and friends. So we the Seniors of '52 with blank minds and weak bodies do make this our last will intestament.

To the school we leave our broken back books, cut up desk, signature on walls, cast off chewing gum and other unforgetable things.

To Mrs. Gane we leave the pleasant memories of our English class, and hope she doesn't get another one like us.

To Mrs. Bouldin the girls leave their book on how to preserve your figure in married life.

To Miss. Cobb we leave our book on married life and its advantages. Why not Miss. Cobb??

To Mr. Cude we leave our pleasant ways and our ability to be angels on class. What about it, Mr. Cude?????

To Mr. Barker we leave pleasant memorys of our visits to your office. What no Tea Mr. Barker?????

To Mr. Phillips we leave our deepest gratitude for all the History he tried to teach us through those easy pop quizzes.

To the Juniors we leave our beautiful carved desk, our teachers, our books, Ernest the 12th , and our priviledges as a dignified Senior.

To the Soph. we leave our ways with the teachers and our many excuses for laying out of class and hope that they don't get caught as much as we were.

To the Freshman we leave the habit of making trips to the office and our love for sports.

Sarah leaves her ability to be victim of all jokes to Peggy McKinney and hopes theres no bones broken. Luck to ya Peggy////////

Frances leaves her love for blondes to Wesley Woods and Earl H.

Betty Sue leaves her ability to work to get out of work to Frances B.

Vance leaves his cave-man style to Donald Coe, Ernest P. and Ellis Piper and hope they get into as much trouble as he did.

Jean F. leaves her quietness to Syble Neese and Mildred D. (Hush up girls).

Bobby C. leaves his corney jokes and innocent expressions to Ann L. James C. leaves his slogan "Never do today what you can put off till tomorrow, to John T. and Charles M.

Don W. leaves his flirtatious ways to Phillip Ray.

Johnny S. leaves his way with the women teachers to Hardy T., Careful now Tew//

Dale S. leaves his good driving ability to Jean S. and Betty B. What about it girls?????

Nellie S. leaves her easy way to get out of English class by getting lunch tickets to Violet E. and Sally E. Fight it out girls///

Wilda leaves her old boyfriend to Glenda S. and hope they have much success in married life.

Estelle leaves her many ways to get out of class but always be excused to Pat A. and NancyT.

Garland Y. leaves his ability to make hook shots to Glenda Starnes and hopes she has better results than he did.

Nancy F. leaves her ability to be seen hanging around the Post-office any time of the day, to Merle B. and Helen B. What no letter today girls???????

Last year we had an improved young team from the year before. We won 4 and lost 5. Our team played in the tournament, but lost out in the first round. Kenneth King, Garland Younts, John Sykes, and Pete Stout were the leaders on the team. We had a good record considering the team did not have a senior on it. Haw River is expecting to be one of the powers of the county this year. We will have more power at the plate and fine pitching strength.

HAW RIVER'S GRIDIRON ELEVEN

Our football practice began in the early fall and consisted of two sessions. One in the morning and one in the afternoon. Some of our boys were late in gettin into shape for the coming gridiron battles. In our first game with arch rival Mebane, our young and inexperienced team was not enough to stop them. Our offense and defense would not click. Mebane came out on the top end by a score of 25 to 6.

Our next game was a revenging one. It was played at Graham ball park against Altamahaw Ossipee. Sonny Clayton, John Sykes, and Garland Younts looked exceptionally good on offense. Dale Shepherd, John Sykes, and David Ray put up a strong defensive wall. Our defense looked good except on passes, which Ossipee managed to score once. Haw River came out on top by a 13 to 7 score.

Our next game was also played at Graham park with Ramseur. We had an enormous supply of supposed penalties. Sonny Clayton looked exceptionally good on offensive play. He threw passes all over the field, but a lot of the aerials were called back, including one touchdown. Ramseur managed to down us 12 to 6.

Against E.M. Holt we showed grand offensive power. Vance Smith and Garland Younts scored on good runs. Jerry Bosquet contributed six points by a Clayton to Bosquet touchdown pass. Making up a strong defensive wall were: Dale Shepherd, John Sykes, Garland Younts and Bill Montgomery. The game was played mostly in Holt's territory. Haw River managed to score an impressive 18 to 0 victory.

At Gibsonville we looked exceptionally good on offense and defense. Vance Smith and Garland Younts looked impressive on nice ground gains. They each contributed one touchdown. Also a Clayton to Bosquet pass contributed another. We would have had another shutout had there not been for an intercepted pass. We came out on top by a 13 to 7 score.

As we went into our last game with Alexander Wilson, they had lost none and tied one. We had lost one and tied none. Therefore, Haw River and Alexander Wilson were playing for the county championship. We were supposed to play on the 2nd of November, but Alexander Wilson kept putting it off on account of wet grounds. On Thursday night November the 8th, we played the game at Swepsonville ball park. The game started at 8 o'clock and in the next two hours that followed we showed great offensive and defensive strength. Vance Smith and Garland Younts took over the ground chores and made very long, hard and nice gains. Sonny Clayton to John Sykes brought results in the aerial attack. Phillip Ray, Dale Shepherd, John Sykes and Hardy Tew showed a strong defensive wall. At the end of the ball game we walked off of the field with a happy 13 to 0 victory, thus capturing the Alamance County Football Championship.

Our coach, Mr. Richard "Bud" Phillips, was voted "COACH OF THE YEAR" in Alamance County.

The Haw River basketball season so far has been a glorious one for the boys. At this point of the season we have won 12 games and lost none. We have two good teams this year, since two players have become eligible after the first semester. Haw River now uses a two platoon system.

Our team has speed, height, a good shooting ability. We are now averaging 57 points per game to our opponents 35. We have scored a total of 686 points in 12 games, to our opponents 422. Our highest score of the year so far has been 90 points and our lowest is 35.

Our two platoon system uses Dale Shepherd and Phillip Ray as forwards, Jerry Bosquet at center, Sonny Clayton and Pete Stout as guards on the first team. The second team consist of David Ray and Tommy Sykes as forwards, Charles Miller at center, Buck Roach and Garland Younts as guards.

Phillip Ray, Dale Shepherd and Jerry Bosquet have been our high scorers for the team.

Next year we are looking forward to having one of the best teams in the state, since we lose only two players off the squad.

Tar Heel Boys

Early in the morning - like a yell
Two red roosters started to fight
Back to back they stood fast
Blew their trumpets and shot one
A day followed near the river
Looked to the ocean and saw the two red boys.

Dear Helen,

I have enjoyed being in school with you. Remember the good times we have had together! Remember the night of the Banquet when the bed fell down until we got up, we went up the street to the drugstore and I stepped on my evening dress and tore it. Then on Saturday we went to the show. I wish you all the luck this is to wish because you need it. I hope I have as much fun next year as I have this one, although I won't be here, but part of the time. I've enjoyed having on you. If it wasn't for you there wouldn't be any fun. Best Wishes forever. Remember me always as one of your best friends.

Love you,
A friend always

Dear Helen
I am writing to you to tell you
about our vacation. We had a great time.
We took many walks and visited
many new places and got a lot of
sunshine & fresh air. I think we
had a good time. Do you think
we should go again next year?
We all enjoyed it very much.
